MR. HAROLD WEISBERG
COQ D'OR FARM
HYATTSTOWN, MARYLAND 20734

DEAR MR. WEISBERG:

I regret to advise you that I feel that if your book has merit it should be distributed through regular commercial channels of the publishing business. From my experience with publishers, I would believe that someone would publish it if they considered that it had editorial merit. Not being in the publishing business, I cannot become involved with an extraneous endeavor.

With regrets,

Stanley Marcus
